

RECOMBINANT COLLAGEN ANTI-WRINKLE SUPREME+ SERUM

The luxurious Collagen Anti - Wrinkle Supreme+ serum, derived from precious skin essence, revitalizes skin's radiance.

As we age, skin loses nutrients and collagen, becoming dry with fine lines and losing elasticity. This serum, when gently applied, deeply hydrates and offers rich nourishment. It directly replenishes collagen to boost elasticity and reduce fine lines. Ingredients like sodium hyaluronate, trehalose, and xanthan gum hydrate and reduce fine lines.

Day by day, skin becomes fuller, firmer, and glows with youth.
